Platinum Laminations is the top brand of Pakistan and has long been a leading choice for architects, designers, builders and manufacturers. With consistently superior quality and service, cutting-edge innovations and a brilliant choice of in-stock colors. Platinum Laminations melamine features the latest in trends, making this premium collection easily ahead of the pack. Perfect for corporate, retail, residential and institutional applications, our high quality melamine panels are available in our extensive collection of colors, ranging from cool and neutral wood grains to exotic and linear designs. Our collection includes more than hundred design-inspiring colors and various surface finish options.

Platinum Laminations is made both for MDF and Particleboard.
